These events are being held at UUCS unless otherwise noted

Special Prelude

Dedication by Alice Peterson

As the years advance in a marriage, the meaning of love changes with us. What once conjured images of hearts and flowers, is transformed into the opportunity to serve one another. Today I want to express my appreciation for my husband Allen's steadfast love in a changing world. *What a Wonderful World* was played years ago at our wedding. It's a song that reminds us both to celebrate the miracle of nature and the simple joys still present in our world.

i carry your heart(i carry it in my heart) ee cummings
Happy Valentine's Day Allen.
